

Brittany the Book Lady's Summer Reading Program

Dear Parents/Guardians,

Thank you for your interest in my Summer Reading Program. This summer, we will be rewarding your child for reading with free books, prizes and fun!

Your child will receive Usborne Books & More titles for completing the challenge.
Participation in the Summer Reading Challenge involves:

- ✓ Reading (or being read to) at least 400 minutes during the 6 weeks (from June 11th – July 22nd) I've added prizes for children who go "above and beyond" and read even more!
- ✓ Collecting pledges from friends, neighbors, and relatives who will support your child's summer reading.
- ✓ Turning in 100% of pledges at the end of the challenge -- no later than July 26th!
- ✓ Selecting reward books totaling 100% (score!!) of collected pledges – no later than July 26th.

Please help your child complete this challenge by encouraging them to complete their reading log and by helping them to collect their pledges. The best part will be helping your child choose new books to take home and enjoy in time for school this Fall.

Thank you! Please contact me with any questions about the challenge. Your child's reading log is attached!

Family & Friends: Brittany the Book Lady and Usborne Books & More have teamed up to design a Summer Reading Program to encourage children to read and give them high quality books as a reward. Children will set a goal and aim to read 400+ minutes over the 6 week duration of the program. **100% of pledge money will provide reward books to the reader.** Thank you for your support!!
