

NATURE PLAY AFTER SCHOOL PROGRAMS

Start **2026** off right by having your child join our Winter Nature Play programs! "Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for one, two or all of them!

2026 WINTER SERIES SCHEDULE

Valentine's Day Nature Craft & Treat

Friday, February 13 (ages 4-10)

Create fun, homemade Valentine's Day cards with the help from nature. And enjoy creating a sweet treat to celebrate the holiday!

Nature's Sketchbook: *Winter Edition*

Friday, February 20 (ages 4-10)

The month of February is an exciting time to uncover the secrets of the winter season. Explore our nature trails to look for the colors, textures, scents and sounds of the season. You will use these senses to create your first winter sketchbook entry!

Missouri Winter Bird Bingo

Friday, February 27 (ages 4-10)

Despite the cold, we still have birds that make their home here during the winter season. Learn about these birds, play a fun game of bird bingo & create a bird feeder to take home!

Animal Track Art

Friday, March 03 (ages 4-10)

Winter is a great time to explore the outdoors for animal tracks. Learn what they are, how to identify them and explore around the center to find out who lives nearby. Students will be creating their your own set of tracks to take home!
