

NATURE PLAY

AFTER SCHOOL PROGRAMS

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover, and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development, and well being. Sign up your child for one, two, or all of them!

2026 SPRING SERIES SCHEDULE

Eco-Literacy: "My Pollinator Garden"

Tuesday, April 7 (ages 4-10)

Students will dive into the world of pollination by listening to the book "My Pollinator Garden" by Jordan Zwetchkenbaum and then take a nature walk to look for pollinators in our gardens!

Nature's Sketchbook: Spring Edition

Tuesday, April 14 (ages 4-10)

Spring wildflowers are the harbinger of spring and are fun to find if you know where to search! Learn where they grow and why they are important to pollinators and birds. You will use these flowers to create your own spring sketchbook entry!

EARTH DAY: Speak for the Trees!

Tuesday, April 21 (ages 4-10)

Find out the importance of trees by reading "The Lorax" by Dr. Seuss and identify the different kinds of trees around the Center.

Green Thumbs Up

Tuesday, April 28 (ages 4-10)

It's never too early to discover a green thumb for planting! Learn how plants grow, tour our greenhouse, and plant your own seeds to take home to enjoy!

STEMKids: Nature in Focus

Tuesday, May 5 (ages 4-10)

Bring Spring into focus using our portable microscopes! Students will become curious scientists as they take a closer look and study what is growing around the Center.

Details for ALL programs:

Time: 4:00-5:00PM

Cost: \$10 per student/program

Location: The Green Center, 8025 Blackberry Ave, St. Louis, MO 63130
